Sculpture Commission Order Form

Please Be Aware:

Commissioning is the process by which an Artist creates a work of art on a Client's request. Requesting a custom sculpture provides the unique opportunity for a Client to own artwork specifically created for them.

It's important to remember that commissioning a sculpture is for a unique one of a kind piece. Clients must allow for creative freedom and gauge expectations accordingly.

While I sculpt mostly dragons and fantasy creatures, I've also done other subjects, such as animal ornaments (squirrel, dog, cat, etc.) and other nature subjects such as flowers. Have a subject you would like done? Ask me to see if it's a possibility.

Right of Refusal

It is the intent of this agreement that the Artist create artwork(s) for the Client that the Client will purchase. However, if after the work is completed, the Client does not wish to purchase any or all of the work, the Client may refuse, on an individual basis, each created artwork. In that case, the Artist will retain the refused artwork and the nonrefundable deposit, free of any claims or interests of the Client and the Client will owe no additional fees to the Artist. A refusal will not affect the purchase price of other created artworks in this project.
